## How?

 Your home will be professionally photographed using an SLR wide angle camera. Each picture is individually edited to showcase your home!

 A virtual tour is created with a link on MRIS and Realtor.com! (According to Homestore Inc--operators of the Realtor.com web site--the "Featured Tour" home search option is clicked more than 120,000 times per day by consumers searching for homes.)

 Your home will be posted on Craigslist weekly! (With over 12 BILLION page views per month, this exposure alone is worth the price of admission.)

 Your home will have a professionally created virtual tour, placing your home ahead of 60% of the homes listed on Realtor.com that do not have a virtual tour!
